PLANNING  
DEPARTMENT  
20 DEC 2010  
RECEIVED

[Redacted]  
20 Pinewood

Sirs  
Before giving your approval to this proposal, I would like to be assured that the Town Centre will not suffer in the same way as Hatfield, after the introduction of a "sell everything" supermarket right on top of the smaller stores.  
I am not anti Tesco, but feel that a food supermarket could more reasonably be considered competition.  
Please, Please do not allow more damage to be done than the economic climate will perhaps inflict.

Thank you
