Subject: Broadwater Road

Dear Planning Department,

I am concerned at the displays of Spenhill/Tesco developments in Broadwater Road. They are talking about what it will look like, not what it might look like. /Have you already given permission?

I live in Broadwater Crescent and I do not want another supermarket. I have heard people saying Tesco's are being treated unfairly because you allowed Waitrose and Sainsbury's to expand. Can't we operate a first-come, first-served and there is no room for anymore? Tesco scare me because they want to take over the world, it's not just the supermarket I object to - it's the type, Tesco sell everything and it could be terrible news for our town centre. Bribing us with a swimming pool and houses just so they can squeeze more tesco in, is daft. The swimming pool is getting smaller and smaller, who will maintain it? Tesco as yet are not in the business of running swimming pools.

Anyway, please, please don't allow a Tesco sell everything store in - let them have a metro or small store with an unbreakable clause they cannot compete with the businesses in the town. It's not just the "West siders" who don't want it. It's not a NIMBY thing, I'll accept pubs, clubs, swimming pools, leisure anything noisy behind us if it's good for the town. Just not this

Please be one of the few to say no to tesco or asda or any of the store who sell everything under one roof. Don't allow our town centre to die. Going into Hatfield makes me want to cry, it was a living shopping centre when I was a child - all the changes, huge supermarkets and the Galleria, moved the town centre over to the new build on the De Havilland sites. I'm not against progress but I want local businesses to survive. Those businesses belong to people who live here or at least support the area.

Thanks for listening, I have not written anything like this before, may be a rant but that's how strongly our family feels.
