Hi Tracy, this came in on Saturday. I don't think there's any need to reply, but it's better you see it rather than it sitting in our inbox..

Daniel

Comments/Questions: Tesco already have a substantial store at Oldings Corner in Hatfield. This site has considerable development potential, and is already located in an area that is well-served by road and bus links. I see no need to have another Tesco store less than 4 miles from Oldings Corner. Planning application for a Tesco store in the Broadwater Road area should be refused, and Tesco allowed to develop their existing store at Oldings Corner, and also multi-storey car-parking at that site. If Tesco wish to build

homes on the Broadwater Road site, that will be welcomed, but there is no economic or demographic need for another superstore.
