Comment: Completely for this project, i think it will benefit the town greatly rather than letting the site get worse, be vandalised and make welwyn look shoddy, plus the fact the station bridge etc will be improved is great, so many of us in welwyn want this to go ahead and can see the massive benefits this will bring, its the old school welwyn residents that have a degree of snobbery about a tesco site, but its the youth and young families who are the future of welwyn, we cant afford not to become a destination town for shopping otherwise welwyn will die, and the free parking will massively boost this, plus i dont want to travel to hatfield for tescos every time, waitrose could do with some copetition
