Dear Ms Mabbott,

I am very much against the building of another Tesco store in the area. We have an enormous store in Hatfield, an Express in old Welwyn & an expanded store on the southern edge of Stevenage which is not so far away for people who live in the northern part of WGC. The new improved Sainsbury will soon serve as a less expensive alternative to Waitrose. As a former IT contractor who worked for Tesco from time to time, it is not a company for whose ethics I have high regard. I am suspicious of their motives and promises.

Yours faithfully
