Subject: BROADWATER ROAD DEVELOPMENT

Hello Louise

I am writing as resident of Peartree ward - I live in Ludwick Way.

I am concerned with the proposal to build a very large Tesco store on Broadwater Road. I feel it will have a detrimental affect on the town centre and cause no end of traffic problems. WGC will have more than enough supermarket capacity when the new Sainsbury's opens.

I would be interested in your view on this - for or against a store of the size proposed? I am most definitely against anything larger than a convenience sized shop on the development site.

I look forward to hearing from you.

Regards
