Subject: I support planning application N6/2010/2055/MA for Broadwater Road

I am sure that the proposed Tesco plans for Broadwater road will be good for many folk. With a "new" footbridge people will visit the Howard centre and the other shops in the vicinity, which can only benefit us all. I cannot understand the objections to the plan, nobody knows for certain what is going to happen in the UK over the next few years, surely extra jobs will be welcomed by all. The Welwyn Garden City society seem only to be concerned with the West side of our town ! My parents came here in 1928, when many of the roads were still muddy tracks and I love this town, it is probably the best laid out town in the UK. let's go ahead with the project and forget the "doom mongers" ! Thank you, [REDACTED]
