I am e mailing you in support of the application for Tesco in WGC. When I think back a few years we had a disco somewhere every night. We had the pool complex at Stanborough. We had the cinema. We had pubs, (even if we were too young!!!!). We had freedom to do as we wished without Health and Safety stifling us What have to poor youngsters got now ??? NOTHING except the pubs and everyone wonders why teenagers today drink !!! Think about it !!!!

The kids of WGC need somewhere to go and the facilities offered by Tesco would be the answer.

Please dont reject it for the kids sake
