Dear Ms Harvey

2010/2055

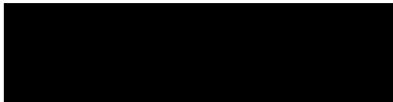

**Planning application no. N6/2011/2055/MA Supermarket at Broadwater Road  
Welwyn Garden City.**

Welwyn Parish Council objects to this application.

Welwyn Garden City is the primary shopping destination for residents of Welwyn Parish and this Council believes that the building of the proposed supermarket store will have a detrimental effect on existing shopping facilities to the disadvantage of its parishioners.

The Council considers the proposal will destroy the cohesion of Welwyn Garden City shopping centre.

Yours sincerely

Anita S Pack  
Clerk  
Welwyn Parish Council.
