Subject: Spenhill Application Ref: N6/2010/2055/MA

Dear Sir/Madam

As a resident of Peartree Lane, I wish to object to the proposed development of the Broadwater Road site by Spenhill. The extra competition can only harm the retail trade in Welwyn Garden City town centre and other shops in the vicinity (Peartree and Woodhall among others). The associated increase in traffic will clog roads in our neighbourhood and increase pollution in the area. There is already adequate local supermarket provision with Morrisons, Waitrose, the soon-to-be completed Sainsbury's and the existing Tesco Extra at Oldings Corner. Permitting this development would risk turning what is currently an attractive town centre into another Hatfield.

Yours sincerely
