Comment: Should this project proceed, WGC will totaly lose its Garden City status. ALL the existing shops, Including John Lewis, will eventually be forced to cease trading. As there are already MANY Tesco stores within a few miles of the proposed site I fail to see the object other than for Tesco to reach their aim of becoming even bigger and to hell with the little people. Their Shire Park site is already a pain for all who live in the area. To enable us to park our own vehicles we have to go to the extra expense of renting a garage as our roads and verges are full of Tesco employees vehicles. Even Bus routes appear to have been altered to accomodate. Where will it end? Tesco City instead of Welwyn Garden City.
