Comment: I object to Tesco's plans on grounds that we do not need another large Tesco's, 7 minutes drive from the Hatfield one. It will mean the death of small traders on both sides of the town. The proposed development is not within the plans for Welwyn Garden City, nor part of The District Plan. Outline planning is suspicious and will probably lead to a later extending Tesco's. The proposed bridge is inadequate. We don't the second Garden City to be Tesco Town. With lorries too much for the roads. The proposed swimming pool, their bargaining tool with WHCS, has shrunk to 25 metres.
