Dear Sirs

Planning application for the Brookwater Road site

I am writing to express my concern at the above application.

The size of the proposed supermarket, nearly as big as the Tesco at Hatfield, appears to be out of all proportion to the other facilities planned for the site, i.e. the flats and leisure centre. There also appears to be a problem with vehicular and pedestrian access.

Small shops already struggle to exist. Closure of more small shops in the town centre and other shopping areas of the town would cause difficulty and hardship.

I urge the Council to reject the plans as submitted.

Yours faithfully
