Subject: Welwyn Hatfield Council Online Planning - Comment

Application Number: N6/2010/2055/MA

Name: [Redacted]

Address: 7 The Valley Green, Welwyn Garden city, herts, a18 7dq Comment Type: Object

Comment: I feel the development would harm the established character and appearance of the Garden City, and affect the setting of the nearby Conservation Area to its detriment.

The residential development will be at too high a density with too little useable green space, and which would not be in keeping with the pattern of residential development elsewhere in the Garden City.

This will also have a large impact to traffic to the area.
