Details: I wish to register my objection to the Tesco proposal for the Broadwater Road site, for the following reasons:

- 1 Potential traffic problems
- 2 Contrary to district plan
- 3 There are enough supermarkets in town centre and WGC
- 4 Tesco already has a significant presence at the edge of WGC
- 5 A potentially damaging effect on the Howard Centre
- 6 A detrimental effect on trading in the town centre
- 7 Implications of subsequent expense for the Borough Council
- 8 The likelihood of loss of jobs in the town centre
