PLANNING  
DEPARTMENT  
- 4 NOV 2010  
RECEIVED

Dear Sir

I write to register my strong opposition to the above proposed development. My main reasons for opposing this development are

- the development will have an adverse impact on the existing town centre.
- there are enough existing supermarkets to cater for the residents of WGC.
- this development will generate more traffic which the existing roads cannot cope with.
- there is already a Tesco supermarket within 5 minutes of WGC - why do we need another one?
- this development will not provide any new products - it will just compete with the existing shops and may drive the smaller ones out of business.

I trust the Planning Committee will take into consideration the views of the WGC residents.

Regards

Harjit Ruprai
