In pursuance of its powers under the above Scheme the Council hereby **APPROVE** the building, alterations or other works proposed in your application received on 02/06/2011 subject to the following conditions:-

1. This consent shall expire three years after the date hereof (or such other extended date as the Council may agree) unless the works hereby approved shall be completed before that date.
2. All works carried out in pursuance of this consent shall be and remain part of the Premises and shall be subject to the terms and conditions of the conveyance in all respects as if such works had at all times formed part of the Premises.
3. This consent or copy hereof shall be annexed to the Conveyance.
4. There shall be no encroachment over the boundary of the plot either above or below ground level, nor any interference with the foundations of the adjoining property without the agreement of the adjoining owner or lessee.
5. This consent now issued is given by the Council only in accordance with the requirements of the Management Scheme/Conveyance or Leasehold Covenants.

REASON: To comply with the requirements of the Estate Management Scheme

Continuation...

6) The works hereby approved for the oaks shall not be carried out other than between November – February inclusive or within the months July and August.

REASON: To minimise the impact on the tree in accordance with policy EM3

The proposal to crown reduce five oaks by 25% and remove deadwood and fell suppressed Pine to ground level would not result in the loss of landscaping that would harm the character and appearance of the area in which it is located. Sufficient justification for the works has been given and therefore the proposed works comply with the provisions of Policy EM3.
