Subject: council office extension ref. N6/2013/1938/MA

Dear Sirs

As a resident of Welwyn Garden City being fortunate enough to live very close to the town centre and the Campus I am dismayed to see the proposed exterior views of the Council Offices extension. The plan looks totally out of keeping with the rest of the architecture of the town and surely cannot be considered in keeping with the conservation area requirements. Unfortunately I do not have the opportunity to visit the Council Offices or write a longer letter expressing my views before October 9th but would like to add that my husband fully concurs with my feelings on this matter.
