Subject: Council Offices Extension

Dear Sir,

As Garden Citizens for 80 years we should like to express our strong disappointment at the proposed extension to the Council offices. It bears no resemblance to the main building and is totally out of keeping with the original town ethos/concept. Why was it agreed to and why is it being thrust upon us without any consultation ? The local population supported, and very strongly, the council's position concerning the Tesco application and feel entitled to having some say about the council office development in the town centre. Why can you not, at least, offer a public meeting so that we can express our views rather than presenting us with a ghastly virtual fait accompli ?

Yours faithfully,

J.H.A. and B.M.Brown
