Sirs Re Application N6/2013/1938/MA

The rushed application the Council has made - without any consultation that I am aware of - is totally out of keeping with the conservation area of which I am a part. The restrictions properly placed on extensions in this area have been completely abandoned by the council itself. I object most strongly to the proposed extension and urge the council to seek a properly designed option to fit in with our conservation area. Dr Patricia Last, 26 Handside Lane WGC
