Dear Sirs,

Re: - Council office Extension
Ref. N6/2013/1938/MA

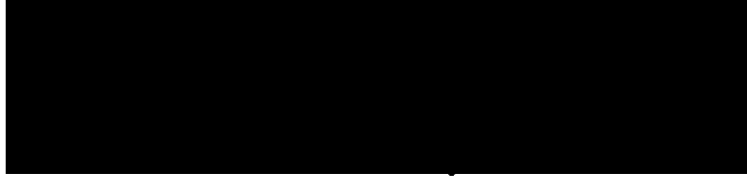

I write to lodge my sincere
OBJECTION to the proposed (rushed)
extension to your office building/
town hall on the Campus.

Please show some respect to the ethos
of our lovely town + those who founded
it. A glass-fronted box is cheap and
nasty - surely you planners have
better taste?! (How about something
along the lines of the main entrance to
John Lewis which at least shows a bit
of style.)

I obviously understand you need more staff
space, but this hurried + somewhat
underhand application is beneath the
standards of our Council who should be

Setting examples to all of us in
Welwyn Hatfield.

Yours faithfully

JANET M. STANLEY (Mrs.)
