Comment: The design does not conform with the Council's guidelines on buildings that are within the town's Conservation area, which this proposed extension is, and it would stand out like a "sore thumb";.

The interior of the proposed building is at fault, also, as it goes against Health & Safety recommendations, which would not allow the desk-layout, as it is proposed.

Also, I'm unhappy about the wording of the documents and, in particular, some mistakes that occur, e.g. mistakenly saying that (across the road) there is a Police Training school, whereas the building that's there is a block of Retirement flats.
