Application Number: N6/2013/1938/MA
Name: David Mayor & Susan Harrison Mayor
Address: 86 Handside Lane, WGC AL8 6SJ
Comment Type: Object
Comment: Dear Councillors

As Handside residents for thirty years, we are very concerned about the proposed 3-storey extension to the Council offices.

This is not at all in keeping with the Garden City/conservation area environment, and should be rethought so that it blends in and does not stand out as totally different in design. The materials, proportions and scale of the proposed extension are quite inappropriate to the original building.

Furthermore, the 2-tier design of the new council chamber is also not in keeping with the Garden City ethos, and should be reconsidered.

We very much hope you will take these objections into account when you come to discuss the application.

Yours faithfully

David Mayor
