With reference to the above I wish to state my objections. There are several grounds on which objections can be made but two are of particular concern to me: the validation of the planning application appears to have been done in a great hurry with little attention to detail and the proposed design of the new building is truly unpleasant and does not fit within the general scheme of Welwyn Garden City's architecture. It would not be a building of which we residents could be proud.

This application needs consultation and far more thought.

Yours faithfully

Mrs BEM Stewart
