Subject: Council Office Extension

3 7 OCT 2013

Ref: N6/2013/1938/MA

I write with objections to the proposed extension to the council offices and I strongly request that the proposals be reviewed for the following reasons:

1. The project appears to be being rushed through.
2. **It breaks the Council's own policies in the conservation area**
3. The Council has 'validated' its own application improperly by breaking the rules.
4. It appears that those driving the project have not gone to consultation, despite being 'mandated' to do so
5. From what I have seen proposed, the design is completely out of keeping with the rest of the building in one of the most important areas of the town in terms of its traditional design and architecture.
