

FROM: Denise Beynon, 3 Templewood, W.G.C. ALS 7HT. 9.10.13

Please note that I have this morning sent an objection to the Council Planning Dept. re the Council Office Extension & sent you a c.c. Will you please pass on this objection to be recorded.

I have only this morning become aware of this issue as I was abroad until last night.

1. Object strongly to the inappropriate design for the Conservation Area
2. It appears that the Application has been dealt with in an inappropriate and irregular way.
