Comment: I am totally flabbergasted that the Council would even consider the plans for this alteration/extension. It will be totally out of keeping with other buildings in the area and frankly looks a total monstrosity. Obviously the plans for this work were rushed through, behind closed doors and the electorate have had no chance to be consulted. This is so typical of WHBC these days I am afraid and Councillors should be made to state just how this decision came about and why, that is the ones who knew about it! Every citizen of WGC has to adhere to the Planning Rules, but not it seems our own Council. I am disgusted with the way this plan has been passed, what happened to normal channels and is this legal?
