PLANNING
DEPARTMENT
13 NOV 2013
RECEIVED

Application Number: N6/2013/1938/MA

Name: David Hammond

Address: 69 Harmer Green Lane

AL6 0EH

Comment Type: Object

Comment: I note the amendments. However why is it that this application does not fulfil the requirements which the Council itself applies to all other planning applications? The design is simply awful and ill conceived and there appears to be considerable doubt whether the structure as designed will house the stated number of staff. This is all being rushed through with unseemly haste and proper public consultation is wholly inadequate for something of this size and cost. This application should be declined and a proper consultation be implemented to allow the public to have a proper input into how public money is being applied. The proposal is ugly and is not in any way sympathetic to the remainder of the building.
