Sir,

How can the Council continue with their blatant disregard of the heritage of the town.

Whatever the many mistakes and unhappy decisions of the past

PLEASE do not <sup>make</sup> any more in this very special town.

Kevinia Warrington.

Ref N6/2013/1938/MA.

Who are these expensive architects, with ~~no~~ apparently no knowledge of the town's particular place in <sup>the</sup> development of small town buildings?
