**Subject:** COUNCIL OFFICE EXTENSION

Thank you for your letter dated the 25<sup>th</sup> November and the invitation to speak at the meeting on the 5<sup>th</sup> December. I still feel that although the plans have been modified, what is being proposed is a hideous extension and one which only the Council could get away with, but I will not be attending the meeting and therefore have no wish to be allocated a speaking slot.

I sincerely hope that common sense will prevail and that what is approved will be in keeping with the existing building and not a monstrous carbuncle like that which is proposed.

Regards,

Richard Selby
