SITE VISIT SHEET

File ref: N6/2011/2563/TP

Site location: 1-19 Scholars Mews

Date: 6/01/2012

Officer present: Oliver Waring

Correct neighbours notified: Yes

Site notice displayed: N/A

MAIN OBSERVATIONS:

Trees on grass verges adjacent to access road. All appear in good health with normal vigour. There is some encroachment upon road (making it difficult for high sided vehicles to access area). Also one oak near junction with Stenardspark Rd is encroaching upon footpath + overhead wires.

Work is minimal and appropriate.
