

WELWYN HATFIELD COUNCIL – DEVELOPMENT CONTROL
DELEGATED REPORT

APPLICATION No:	N6/2012/1395/TE
------------------------	------------------------

NOTATION:

The site lies within Estate Management area as designated in the Welwyn Hatfield District Plan 2005.

DESCRIPTION OF SITE: 20 Walden Road, WGC

DESCRIPTION OF PROPOSAL: Fell leylandii tree located in rear garden

PLANNING HISTORY:

SUMMARY OF DEVELOPMENT PLAN POLICIES:

POLICY EM3

(Works to trees and hedgerows will only be allowed where the works would not result in the loss of landscaping which would harm the character and amenities of the area and where sufficient justification for the works has been given or there are other considerations that apply.)

CONSULTATIONS: The application was advertised by means of neighbour notification and no representations have been received.

TOWN/PARISH COUNCIL COMMENTS: None received

REPRESENTATIONS:

The application was advertised by means of neighbour notification and no representations have been received.

DISCUSSION:

The tree in question is a semi-mature Leyland cypress conifer growing within the rear garden of 20 Walden Road. It is approximately 7m tall and appears in good health and condition. The tree is growing amongst other vegetation and is encroaching upon the neighbour trees and shrubs.

The applicant wishes to remove this tree because it is inappropriately placed. There is no objection as the tree is in overcrowded area of vegetation. Its removal will have no overall affect on the amenity value of the landscape in this area.

CONCLUSION:

The proposed work is considered appropriate. Sufficient justification has been given for the work.

RECOMMENDATION: Approval

CONDITIONS:

1. This consent shall expire three years after the date hereof (or such other extended date as the Council may agree) unless the works hereby approved shall be completed before that date.
2. All works carried out in pursuance of this consent shall be and remain part of the Premises and shall be subject to the terms and conditions of the conveyance in all respects as if such works had at all times formed part of the Premises.
3. This consent or copy hereof shall be annexed to the Conveyance.
4. There shall be no encroachment over the boundary of the plot either above or below ground level, nor any interference with the foundations of the adjoining property without the agreement of the adjoining owner or lessee.
5. This consent now issued is given by the Council only in accordance with the requirements of the Management Scheme/Conveyance or Leasehold Covenants.

REASON: To comply with the requirements of the Estate Management Scheme

SUMMARY OF REASONS FOR APPROVAL:

The proposal to fell a Leyland cypress would not harm the character and appearance of the area in which they are located. Sufficient justification for the works has been given and therefore the proposed works comply with the provisions of Policy EM3.
