RE: 11 BROOKMANS AVE

Dear Sir

I write to object to the proposed construction of flats at the above address. If granted the development would completely change the nature of the road from what has always been a quiet residential environment. Even worse it would set a precedent whereby further applications of a similar nature would be impossible to resist, leading to the whole road being spoiled. If consent is granted it will be the first step towards the ruination of Brookmans Avenue.

This is nothing other than an attempt by the owners to extract maximum profit from their property to the detriment of the neighbourhood and should be refused.

Fairly faithfully
