WARNING: This email originated outside the WHBC Network. Please be extra vigilant when opening attachments or clicking links.

I have spent some time this morning looking at this application and completing my objections/comments on your website. Your website has failed me and will neither send my notes or indeed even let me use the email tab shown. As you would imagine I am now both angry and frustrated. So I have now started again and have created a word document containing my objections/comments. This really is not good enough.

[REDACTED]

Thanks Gwenda
