Hi Emily,

Sorry just returned from leave today.

The design of the bin enclosure is to the discretion of the developer here, We do not come on to the property to collect, the bins must be presented on the boundary by the residents on the evening prior to collection and retrieved after emptying as stated on the original application.

Sorry for late reply.

Regards

Lorraine

Hi Lorraine,

Do you have any comments to make on this application at all? If so, please can you send them to me by Monday as I need to issue the decision on Tuesday. Thanks!
