Re Application P/2018/1996/FULL

Dear Sir

I am writing to object to the above proposal in respect of 77 Brookmans Ave.

Brookmans Avenue has always been a quiet rural road and now its very nature is threatened by removing one dwelling and replacing it with eight flats and an underground car park.

Quiet from the disruption to the locality that would be caused by the construction site, noise, parked cars and dust, the entire nature of the neighbourhood would be spoilt by such a development which is completely out of character with the surrounding houses. Furthermore, if consent is given to build flats there would be nothing to stop further applications resulting in our pleasant road being ruined forever.

Yours faithfully
S. N. Jenkinson
