Comments	<input type="text" value="We have lived in Brookmans Park for 34 years and believe the character of village is being destroyed by developments of this kind. The proposal will undermine the established single family dwelling character of the road. Brookmans Avenue is a quiet residential road and a precedent for a block of flats will lead to others cashing in on their properties and in my opinion would have a devastating impact on the road, its residents and the village overall."/>
