Subject: Town and Country Planning Act 1990/Order 2015

Dear sirs,

Re:- Application Ref: 6/2018/1996/FULL

We wish to object wholeheartedly to the proposed development of 77 Brookmans Ave., Brookmans Park, Hatfield, AL9 7QG.

Allowing 8 apartments plus underground parking is totally out of character with the existing single dwelling houses in the road. With more flats being allowed to be built in the area you are changing the whole original garden town/village concept which is to the detriment of existing house owners. The site will look over-developed and impact on the look of the road. Furthermore with existing road parking restrictions this will impact on local businesses and leisure activities.

Many existing flats that have been built are not selling and this proposal will not provide affordable housing for local residents.

Yours faithfully

Mr and Mrs A Stylianou.
