Dear Mr Haigh

I object to the above application on the following grounds:

1. The proposed development will have an adverse effect on the established single dwelling feel of the road.
2. It will set an extremely negative precedent for further blocks of flats to be built.
3. The general size will be detrimental to the neighbouring properties giving a feeling of encroachment and loss of amenity and be totally out of keeping with the current street scene.

Yours sincerely

Louise Tilley
