RE: 6/2018/3292/MAJ – 45 Broadwater Road, Welwyn Garden City, AL7 3AX

Dear Sarah,

Thank you for your re-consultation in relation to the above planning application for the erection of four storey development comprising 91 x bed care home with 13 x care suites, at 41 Broadwater Road, Welwyn Garden City, AL7 3AX.

Having reviewed the latest updates we understand that only the site address has been updated. No additional information for surface water management on site has been provided.

Therefore, we maintain our objection, as indicated in our latest letter dated 12 February 2019 submitted to the LPA.

We ask to be re-consulted when an amended surface drainage assessment will be submitted. We will provide you with bespoke comments within 21 days of receiving formal reconsultation. Our objection will be maintained until an adequate surface water strategy has been submitted.

Yours sincerely,

Julia Puton
