<b>Comments</b>	<input type="text" value="I have looked at the revised proposals and my comments still stand. I cannot see how the refuse collections will work if a vehicle is parked in one of the bays which does not belong to a member of staff. Also there is very few available parking spaces for visitors to visit family and friends especially as the busiest time for staff (between 12-3pm) seems to be during the lunch period, which I would assume particularly on weekends would be the time for family and friends to visit."/>
