

GENERAL NOTES:

- drawing is to be read in conjunction with all relevant Architects and Engineers drawings and specifications.

not scale from this drawing. All details and dimensions and levels are to be checked by the contractor prior to commencement of construction. Any discrepancies are to be reported to the Engineer.

levels are in meters & dimensions in millimeters unless noted otherwise.

sign based on topographical survey and CCTV survey information available at the time of design. All existing sewers, connections, pipe sizes and invert levels to be confirmed by contractor prior to commencement of works to ensure connectivity. Any variance from the information shown should be reported to the engineer for review.
