

GENERAL NOTES:

- This drawing is to be read in conjunction with all relevant Architects and Engineers drawings and specifications.
- Do not scale from this drawing. All details and dimensions and levels are to be checked by the contractor prior to commencement of construction. Any discrepancies are to be reported to the engineer for review.
- All levels are in meters & dimensions in millimeters unless noted otherwise.
- Designed based on graphical survey and CCTV survey information available at the time of design. All relevant connections, dimensions and invert levels to be confirmed by contractor prior to commencement of works to ensure connectivity. Any variance from the information shown should be reported to the engineer for review.
