PLANNING

11 BLACKTHORNE CLOSE
HATFIELD HERTS
AL10 9DS

DEAR SIR

Planning Application Ref. 6/2019/2162 OUTLINE

With reference to the above planning application. Filbert Close is off Hazel Grove and it is highly congested with parked cars on both sides of the street. As there is no infrastructure in place that I can see to accommodate lanes and equipment for building these houses or indeed any provision for new schooling or health services in an already overcrowded and neglected area. Perhaps the council would like to check the area out before making any decision regarding this application.

yours faithfully
