Dear David,

Re: Outline planning permission for the erection of 39 dwellings, vehicular access and provision of open space, with appearance, landscaping, layout and scale reserved - Land south-west of Filbert Close, Hatfield, AL10 9SH

ARCHAEOLOGICAL IMPLICATIONS

Thank you for consulting me on the above application.

While the proposed development is comparatively large there are very few known archaeological sites nearby.

In this instance, therefore, I consider that the development is unlikely to have an impact on heritage assets of archaeological interest, and I have no comment to make upon the proposal.

Please do not hesitate to contact me should you require any further information or clarification.

Yours sincerely,

Dr Simon Wood FSA Scot
Historic Environment Advisor
Environmental Resource Planning
