<b>Comments</b>	<input type="text" value="RE: PLANNING APPLICATION 6/2020/1837/FULL I am objecting to this planning application for the following reasons: 1. It is an over-development of the site. 2. There is no precedent for such developments in rear gardens, either along Bridge Road or in the Conservation area generally. 3. It goes against the Garden City ethos, particularly important in this Centenary year of Welwyn Garden City. 4. There is reference to Application N6/2014/2504/FP being granted. However, the more recent Application 6/2019/0879/FULL was refused. 5. I do not believe that generating funds is a valid reason for granting permission."/>
