Comments	<input type="text" value="I am objecting to this planning application for the following reasons: 1. It is an over-development of the site. 2. There is no precedent for such developments in rear gardens, either along Bridge Road or in the Conservation area generally. 3. It goes against the Garden City ethos, particularly important now that the significance of Welwyn Garden City has been recognised in its recent Centenary year. 4. There is reference to Application N6/2014/2504/FP being granted. However, the more recent Application N6/2019/0879/FULL and Application N6/2020/1837/FULL were both refused."/>
