Comments	<input type="text" value="I am concerned with the a) high story buildings around the Penn way flats and houses. our view will be completely blocked from these high story flats. b) The pressure it will put on the local resources like parking, we already struggling with cars parked in our development by train commuters, The excess amount of GP, schools. Is there a plan to increase the resources to cop up the pressure. The train commuters will increase excessively as well. c) It will surely invade the privacy given the amount of people living in such a close proximity."/>
