<b>Comments</b>	<input type="text" value="This proposed development is not in keeping with the design of WGC. It lacks greenery and green space. The density is far, far higher than is normal in this suburban town. The high rise proposals are especially inappropriate in the town and far exceed other blocks of flats in WGC. There are far too few parking places for the dwellings, which will push cars into other streets. The local road network, including Hunters Bridge, will be overwhelmed, especially at peak commuter times."/>
