Comments	<input type="text" value="Yes I know it's late However this has only just been bought to my attention Why are you even CONSIDERING 10 stories as a possibility It will look out of place , showing NO consideration for those who have bought properties on the Penn Way /Otto road development who with other proposed developments will see nothing but Concrete blocks These new developments WILL affect the sky line and be totally out of place. One hopes the council will consider CAREFULLY before destroying more of our towns HISTORY Showing they actually do CARE about the Towns History and not just keeping developers and their friends in High Places HAPPY"/>
